I'm sorry this took so long to write but Dennis has still been on my mind and will not be forgotten. I am truly sorry for your loss. I worked with Dennis for at least 8+ years and considered him a friend as well as a co-worker. Dennis would always try to do his best and make the best of any situation. I truly appreciated his excellent work ethic as it showed what kind of person he was deep down. Dennis would give the shirt off his back if it would have helped someone. I'm glad he is at peace and in a better place now. Jeff Swiftney

I am so sorry for you loss Amanda and Den, I love you both so much. I remember when your parents were living at my parents house, one night your dad had just gotten home from work, it was pretty late. But there had been an accident and I needed someone to take my boyfriend to the hospital without my parents knowing he was even there. Your dad, tired after a long night at work, took him. Sat there in the ER for three hours while my boyfriend got stitches in his lip. Never grumbled once. I do remember him laughing pretty hard when he found out what had happened though. Love you both, praying for you all.

Amanda, I am so sorry for your loss. In the short time I have known you the one thing that impressed me the most was the love and support you had for your Dad. He will always be with you in your heart and thoughts. I am so sure that he was very proud and thankful to have such a wonderful daughter. Sandi Lobbezoo
