He will be missed by everyone, I will miss all the good time we had, the nerf wars and see Loren and Aston playing games and just going at it or make so many puns and meme and the jokes about the moive or tv shows or just what ever we were talking , his family will be in our thoughts and prayers

Aston and I will miss so much but his sarcasm, his sense of humor, his smile, his laugh and his kind heart are at the top of the list. Our fond memories of watching movies, playing video games and having nerf gun wars will be cherished. God bless Aimee, his daughter and his family/friends.

I went to High School with Loren, he always had a smile and kind words and so many jokes. His positivity was so contagious, it was nearly impossible not to get caught up in it with him. We went our separate ways and only talked now and then but he was always still that same funny, nice guy when we would. His daughter deserved to have so many more years with him and it's heartbreaking that she won't. My thoughts and prayers to his family and loved ones.

My sincerest condolences to Loren's family, friends, and co-workers in this time of sadness and grief; may God give you all comfort and peace in your time of sorrow. I can say that from 2015 to sometime in 2016 I had the opportunity to work alongside Loren as a fellow co-worker at the Taco Bell on Apple and Creston and no matter what kind of day that you had at Taco Bell; Loren was always making your bad days of feeling negative about yourself; turning that into positivity and encouragement; and he always would make sure that he left you smiling and laughing and always a great team-worker and carried himself as a model employee for Taco Bell.
