When we first moved in next door, Trina was my first friend. That's something that will always remain precious to me. She has always remained close to my heart and I will never forget the advice and care she gave me up until now when she will be an angel over us all. Trina, you will be missed everyday but NEVER forgotten. Without you I don't know that I would have ever "fit in" or made any "friends" here at OV. That's a debt I'll never be able to repay. I love you. I'll watch out for your mom and dad here next door. I promise. Don't worry. Rest easy. XO - Your Friend Becky.
