I am so sorry to hear about Linda's passing. She was such a caring, giving person who I so enjoyed having her in our Pulmonary Rehab. Linda had many friends here at rehab who enjoyed her so very much. She will be dearly missed by all. I know she was so proud of her grandchildren, who she loved dearly. She smiled from ear to ear every time she talked about them and shared pictures of them. My thoughts and prayers are with all of you during this difficult time. Cathy Schmidt -Pulmonary Rehab

Memories oh yes I have memories, more than I can possibly share here. However let me tell you what kind of lady she was. Back in 2006 I was at about the lowest place I could be. Addicted to alcohol, homeless, helpless and useless, I entered Western Michigan Teen challenge. To make a very long story short you can have family visitation every other week. I don't remember a single time that Aunt Linda, Uncle Bill and Jason were not there smiling, no judgement, no condemnation. Just love and support. She is missed but she is with the Father now, she has earned her reward.

I remember with fondness working with Linda at the doll shop on Sherman for a short time. She was so kind! My son and his wife were caught in a hurricane on their honeymoon and we were very concerned for their safety. Linda prayed for them and also shared the story with her church members. I send my sympathy to all of the family. Deb Vlasma

I will always remember Linda as a welcoming and lovely Christian woman. I thoroughly enjoyed the time we spent together at the Cotton Family Quilt Camp and the fun that she, Nancy and I had making several Camp dinners. I will continue to miss her but know she is now fully restored and in her forever home. Thanks be to God!

Linda worked at Sealed Power with me. She was the sweetest lady and had a wonderful laugh! I would see her at Meijer and she hadn't changed a bit. I'm sorry for your loss
