Dear Todd, Heidi and Becky and families, Marv and I are so sad to know how difficult it is for especially you, to lose such an amazing lady. Sandy touched so many hearts, including ours and it is such deep sorrow we feel for all of us who loved her, She was a special lady, friend, wife, mother and someone who could always make me laugh. Todd I remember that softball game when Sandy showed up. I asked what she was doing there and she simply said Todd and then had a big smile on her face. I knew then you two and the girls would be together as a family. I can't imagine losing what you had together. We love you guys. If there is anything you need, let us know; or if you just need to talk we have plenty of experience with that, please just call. With love, Marv and Cheri Kersting

Dear Todd and Heidi and Becky, I have a memory in my mind of a smiling and happy Sandy in the 1970s. That's when I met her and her sweet twins, with their sweet smiles. She seemed to immediately love me and was always kind to me. I love her too. I am sorry for your Mom's passing at such a young age Heidi and Becky and the hole that is now there in your world. I am sorry for your loss, Todd. Some things we may not understand until we meet our loved ones again in heaven. But I pray you know God's comforting love, a part of that love that your Mom gets to fully know now. Sandy's prayers for you will bring about beautiful things in your lives for years to come.

We are so sorry for your loss, words cannot describe this. Sandy was unique and we are so happy we were blessed to know her. We will miss her, her smile, her warmth her funny retorts. She was so thoughtful, loving, and energetic. I know heaven will be even brighter with her there although she has left a huge hole here. She has left a beautiful legacy to all who knew and loved her. All of you will remain in our prayers for a long time. Todd, if there is anything we can do to help, now or in the times ahead, we are nearby, please don't hesitate to let us know. We want to help if we can.
