My best memory with Willie and Jerry was a summer night sitting on the dock drinking cocktails and laughing at life. Jerry, as we all should remember him, a larger than life, gentle, friendly, always smiling friend and neighbor. We will miss you everyday. I'm glad it's a good memory of him that remains with me. So sorry for your loss. I worked with Jerry for a number of years...and he was such a happy fun guy. He would come into my office and we'd chat about trips he or I was taking...cars...sports. I loved talking to him as he was always so cheerful. And his laugh was infectious. I will miss him a lot.
