Monica is a good friend as well as mentor. You are know as the "dragon lady" at work. That was just because you didn't take crap from anyone and you told it like it was. I will always remember how Pat brought you a cup of coffee from McDonalds yesterday. We gave him a hard time for not bringing coffee for the rest of us. You gave him a hard time for getting you a large coffee rather than a small. I will remember the smile on your face as well as Pat's. You are a good friend and will be missed.
