I always had a good time conversing with my Cousin! Can't believe he's gone after it was not even two weeks earlier we sat by him at the Rendezvous! He was meeting with his friends there, and he looked good telling us he was going into Hospice. He never let on any discomfort! A very strong man, he was! Also, 2 years ago my Mom passed on today. I was welcomed to bring all the family pictures my Mom had of his King family, and yes, I did see the twinkle in his eyes as he cared for his granddaughter!!!! feel privileged to have had these moments to share!! There were many more, as he was quite a teaser!! will miss him!! May God Comfort His Dear Family!! His Cousin, Pam
