Carl Garber posted:

My mom has gone to heaven. No more suffering, no more pain. Her mind is hers again. She went to be with Jesus. Peace and Calm surround her. Mom you mean the world to me. It's hard to live without you. You were always by my side through thick and thin. Now when you're gone, my life is hard to live, it's hard to breath, it's hard to see, and it's hard to think about anything but you. Even though your not here with me, your love will shine in me forever. Even though your not here with me, I still have you in my heart and in my memories. I love you forever mom, Carlton
