There are so many memories I could post. A few of my favorite would involve parties in the back yard, a game of twister, and a birthday party where it ended in a cake fight! He was always full of smiles and jokes. My prayers are sent out for his family, and his son. You will be greatly missed! Your life ended all too soon! Rest in peace, Burroughs.

There was always a special place in my heart for Chris. He was smart, serious, funny, and sensitive. I will miss "talking" to him on Facebook IM's and am saddened to no longer have him as a part of my world. May he rest in peace and may we all find comfort in knowing that he's now in a place where the "authorities" can no longer bring him pain. I didn't know his family well, but always knew that he loved them deeply...may they all find comfort in the many good memories he left behind. He will be missed.

Chris, for 6 years you were the best friend I could ask for. I loved our late nights of watching scary movies, and rocking out to Dirks Bentley. Our weekly visits to karaoke where you always sang country love songs to me. You were awesome at making steaks, and cooking any meal for that matter. You always knew how to make me laugh, and always protected me. I love you with all of me.. always have.. heres to the great memories of you and I.
