Hello. Sorry to hear of Fred's passing. I am sure you'll miss his stern direction. He was, such a awesome guy to wait on. He always wondered how we all were and took interest when my son in law became a police officer. They really loved all of you. I actually didn't know that Cheryl had passed away. I see them reunited and always agreeing.! Marie Fricano Laning. A longtime waitress at Fricano's in Grand Haven

Joe And Diana Corinti lit a candle in honor of Frederick.

Uncle Fritz, even though Diana and we haven't been around much to spend time with you and on the holidays, The times we talked on the phone have meant a lot to the both of us and hearing your voice and knowing you were doing well! You were there for my family after my folks passed and helped my family in any way you could with good sound advice, and for this I will always be in you debt and never forget you for this... You will be missed and there is a void in all of use now that God as called you home to be with him, and we will miss and love you forever. You are and always will be our favorite Uncle and will be remembered always...
