Doris (King)Defes lit a candle in honor of William.

I am so sorry to hear about Bill passing. I have so many memories of him. We, Ron and I grew up next door to Bill and his family. In fact, they were our family too. We came and went in each others homes all the time. I always remember Bill and his Cheese. he loved it. When they were out at his house he used to come over to get some at our house. He, Ron and I did so many things together as kids, good and bad.I have lived so far away since 1961 that I had lost thouch. A while back he sent me a DVD with pictures of our childhooh and it brought back so many wonderful memories. I know you have many good memories of him to cherish.Doris (King) Deffes
