Was so sorry to hear of Laura's passing. I grew up knowing Laura she was my neighbor & friend. She was also my Mom's & I hairstylist. She was a precious soul. I will miss her and her beautiful smile.

I met Laura through my friend, and her church friend, Cindy Vogel. Later, Laura and Gene sang with me in White Lake Chorale. She was a very nice lady, and she and Gene were a sweet couple. I miss them both in the Chorale and around town.

Laura shared a life with my father. They sang together. They worshipped together. They volunteered together. They saw the world together. And they grew old together. Laura made Gene feel happy, loved and complete— what more could you ask of someone? I'm sorry I can't make it to the service, but I sent a donation to the Muskegon Kid's Food Basket in her honor. May she rest in peace.

My dearest friend, Laura, has gone ahead to be with Gene. We shared many good times together including travel and working in the Detroit Temple. We will sorely miss her, but look forward to the time we can again embrace and laugh together. ❤️ Sandy Kempf
