Linda & I were friends since we were age 5 or 6. We lived across the street from each other on Estes St in Lakeside. The Cutler Family was a big part of my childhood. Unfortunately I had not talked to her for several years. I am in FL now but otherwise I would be at her memorial service. With sincere sympathy, Joy & Don Ott

I had so much fun working with Linda. There were many Linda's so we called each other by our initials. She mentored me through many problems in the ICU. What a wonderful nurse she was. My condolences to her family.
