Sandra and I have known Lambert since high school and Mary Shortly after. That makes it about 60 years. We have fond memories of our times with Mary and Lambert while we lived in Colorado together for several years. We went camping together a lot. Lambert had a 4 wheel drive vehicle and we used it in the mountains believe me. I clearly remember the four of us going over Tincup pass. We had to go over boulders half the size of the vehicle. I couldn't believe we made it over some of those. I remember Mary as a photographer. Mary would take pictures of our high school class as well as the professional photographer. Her photos were clearly better than his each time. God bless you and help you through this tough time Lambert. Denis and Sandra Meiers

Aunt Mary will be missed! We rest in the fact that she is in heaven today. But we grieve with the family. Not as unbelievers without hope, but by faith believing we will see her again one day in Heaven.
