I am so sorry to hear of Larry's passing. I always had the greatest respect for him as his cousin. At family gatherings, he always greeted everyone with a big smile & a hug, & at the Mt Garfield Hill Climb events he stood tall & proud as a representative. Please know that each one of you in the Rogers family are in my thoughts & prayers. May your heavy hearts be abundantly blessed with healing energies & love. Lovingly, Pamela Medahko

One of my favorite memories is spending New Year's at my mom's and having Aunt Rozine and Uncle Larry come hang out with us. Playing cards and eating chocolate dream. It was always funny when my kids were little that they would confuse Uncle Larry with my dad, their papa. They would see him and think he was Papa, but know it didn't seem right. Then they would see my dad and laugh.
