So very sorry to hear of Shannon's passing. We had quite a few classes together throughout junior and senior high. Reconnecting a bit when she worked at RUSS'. Had the opportunity to work with her son, John, a few years back. Many nice memories of her. My deepest sympathies to family.

Where do I even start? Shannon and I became friends almost immediately when we met while working in Hudsonville @ the corporate office for Family Fare....many years ago. We shared many laughs throughout the years. We told each other things we had not told anyone else! We had a "secret" meeting place at the office where we'd meet and share company gossip. Retirement happened and we both got busy with things that we neglected while working and we would not be in contact for months, but when we did get together, it was just like always...we had not missed a beat. She was a good friend and she had a kind & caring heart and I will miss her greatly. I love you my friend. Fly with the angels ❤️
