John Glenn Strait

FEB 20, 1962 - SEP 26, 2020

John Glenn Strait, age 58, passed away suddenly on Saturday, September 26, 2020 with his family by his side. He was born February 20, 1962 in Muskegon, Michigan to Lynn and Rose Marie Strait. After graduating from Muskegon High School in 1980, he joined the United States Air Force and was able to travel through many parts of Europe. Following his discharge from the military, he started his longtime career in the telecommunications industry; spending many years at MOSS Telecommunications. John enjoyed the simple things in life. He had a love for music and an extreme passion for playing guitar and The Rolling Stones. John had the biggest heart and has touched the lives of so many people during his life. His daughters were the light of his life and his favorite role of all, being Coolest Papa John to Harper Grace. John did not disappoint when it came to wholeheartedly loving his family. Survivors include his daughters: Tiffany (Kellen) Hatcher of Macclenny, FL and Madison (Hunter) Hubers of Grand Rapids, MI; one granddaughter, Harper Hatcher of Macclenny, FL; brothers: David (Roberta) Strait, Robert (Deanne) Strait both of Muskegon, MI, Timothy (Lori) Strait of Milwaukee, WI, and Joel (Jennifer) Strait of Aurora, IL; sisters: Laura Strait, Jennifer (Larry) Winslow both of Muskegon, MI, and Valerie Strait of Brooklyn, NY; brother in law, Gene Stout of Muskegon, MI; many nieces, nephews, and friends. He was preceded in death by his parents; brother, Larry Strait; sister, Sue Stout; and granddaughter, Hadley Rose Hatcher. A Celebration of John's life will be held Friday, October 16, 2020 at Hagar's Hideaway in Muskegon, MI from 5:00-8:00 pm. Memorial contributions in John's memory may be made to the American Heart Association. For those wishing to send flowers, please have them sent to Hagar's Hideaway the day of the service. Our whole family loved the Strait Family, especially John! John had the most out going and friendliest personality of anyone I have ever known, he was gracious, generous and funny. John's family and ours traveled, camped and attended church together, we had many good times together, John was a huge influence on me while we were growing up, he treated me like his little brother. John, I love you brother and I will miss dearly. I hope heaven has the Rolling Stones playing for you.

John was the most approachable, easygoing, person I ever met. He had a kindness about him that was very genuine. When they talk about someone being a, "people person", John was the very definition of one. He loved his family and was a devoted father to his daughters and he loved being a grandfather too. I lost not only a brother-in-law, but a great friend as well.

John was my friend since our Moon School days. He was so easy to make friends with. I will always remember those days and my friend. John will always hold a special place in my heart because he was one special guy.

I knew John when he was a young boy. He was a terrific dancer, and we had so many fun memories and exciting adventures traveling and camping with the Maycroft Square Tappers. In recent years I always looked forward to the messages posted on Facebook "from" his granddaughter, and seeing them jamming on the guitar and drums. We will miss him with a smile on our faces. John was one of the best person I've known, always there to lend a helping hand or provide for someone in need. Gonna miss the big smile and laughter anytime he seen someone he knew. When we were Teenagers he played bass with our band The Tumbling Dice, we didn't get far, life and big planes got in our way but didn't matter to John, he just loved to make music. I hope Gods plan was pretty big for John cause he definitely was needed on earth too. RIP John and say hi to our friends for me.....Buck Berg
