Abbey, I am so sorry to hear of your Mom's passing. She was a very special person. She was always looking out for others and willing to help at a moment's notice. I feel fortunate to have worked with her. I still have a sweet note she wrote to me when you went through 7th grade. She was a kind-hearted person, just like you. You will be in my thoughts and prayers. My deepest condolences. Polly Eagle

Diane (Barr) Brace lit a candle in honor of Diane.

I am so sad for your loss. Diane and I were childhood friends. We shared so many fun times riding bikes, loving cats, cruising the ovals, anything teens like to do. She surprised me with a cake on my 16th birthday. I have missed her for so many years and regret that we lost touch in our adult lives. Peace be with her loved ones.

Mom, you were the most incredible person and positive influence in my life. You always put others first, loved having a good time, and always had a smile on your face. I loved all those times that you showed up at my apartment in kzoos just to make dinner and spend the night. I will miss going for our nightly rides around the lake because I couldn't sleep. And I am grateful for our vacations we were able to spend together. I have so many amazing memories with you that I will cherish. I will miss you forever! I love you so much!
