Sam was well thought of by so many people he worked with. He made a difference in the community! He was the "baby" of our family. . . cousins. Our thoughts and prayers for comfort are with Sam's children & grandchildren. Ginger & Roger Wolffis

I had the great pleasure working on projects with Sam both during his time at Kaydon and Motorcoach. He was strategic in his thinking and always treated people as would a beloved coach. Due to Sam's efforts many companies and their employees benefitted from his caring and hard work. He was a big man with an even bigger heart. Thank you Sam and God Bless your family. Mike Michalski

I used to pick Zoe up for daycare and got to know Sam- I always enjoyed our talks and his often blunt view on things. Sam was always kind, funny and made my day happier. He will be missed.

When Sam was Fruitland Twp Supervisor he used to come to the Laketon Twp hall for meetings, where I am an employee and had the pleasure of meeting Sam. He was always friendly, outgoing and really nice to us when he came in. It was always a pleasure to chat with him while he waited for a meeting to get started. I am so sorry for your family's loss.
