I did not work directly with Ron, but I was his HR Assistant from the beginning, and he and I had many conversations when he would stop in the HR Office. He was a good guy. My sincere Condolences to his Wife, children, and other family members who I know will missed him greatly.

Ron worked as our Food Service Officer on First Shift at MTF for a couple years. I will not forget how he always made us laugh, while still running a tight shift. He and I were the only Chicago Bear fans at the joint, so we had a blast making fun of the Lions fans. Ron...miss ya brother...my condolences to his entire family. Pat "Kamper" Kampf

Such sad news. My thoughts & prayers are with Ron's family. When Ron was CC officer, we interacted quite regularly regarding security. He was just a great guy to work with, he would make you laugh even tho you didn't want to!

Ron was a great co-worker and Friend. We hired in at the same time and had a great 26 years working together. I also knew Ron since we were kids playing little league together. I also had a great time coaching his two girls with him as it was such a good time. He will definitely be missed. Thoughts and prayers to his family.

Ron always seemed to be in a good mood. Hard thing to do working in a prison environment. Made working there less gloomy .My thoughts and prayers go out to his family M C Schmiede " shmig"
