Dear Grandma, When I remember you, I will recall large family gatherings that you hosted. Oh the food that you would prepare and the time it must have taken! I'll remember your lively sense of humor and your love for animals. I'll remember your passion for reading, gardening and your vast collection of cookbooks. I look forward to when we meet again in heaven. Until then, give my little Ashlee a hug from me. I take comfort in knowing that you are there together. Love, Lisa

My deepest condolences to Lisa Serene and family. I have not had the privilege to meet Mrs. Kelley however Lisa has spoken so much about her especially her 90th birthday party that Lisa arranged. And how nervous she was to make sure it was very special. I send my love to all who have lost your loved one. Sincerely yours Christeena Eastman (Canada)
