We are so sorry about Donna. We have fond memories of when our sons Tim and Eric played with Mike and Bruce. Bruce was also in Eric's wedding. We remember fondly our conversations with Donna at Meijers or at school events. She always was so pleasant and had such a fantastic smile. We pray for God's peace, and that He will comfort your entire family. May pleasant memories sustain all of you in the days ahead. In Christ's love and ours, Larry & Mary Rop

My Deepest Sympathy to the Walters and the Langlois Family. Donna was a wonderful cousin. Was always nice to see her and Theresa at Our Lady of Grace. I am so glad they join the Lights to Christmas to begin Advent. Donna will always be remembered for her special butterflies she brought to our Bar/Barr family reunion to remember each of the Barr cousins' parents. She was full of love for everyone. ♥RIP Donna.

What a beautiful and amazing woman who will be greatly missed by many of us. I have so many great memories of Aunt Donna I could go on for days. She was so loving and caring and started watching Mason for me when he was just 6 months old. I remember one of the times she watched him she was trying to get a family photo and Mason jumped in front and center. He was part of the family. That always made me feel so good because she would take him as he was her own grandchild. We are lucky to have been a part of her life and we will miss her greatly. Jaymie and Mason
