Dear Sherry, Mike, Tara and her family and Gabe and his family. I weep with you and for you as you process your loss of Colin here on earth and move through and carry the grief when it feels comfortable on moving forward. We all have memories that we cherish and there are several for me and I loved looking into his beautiful eyes and feeling the energy of his tender heart. He was an adorable boy who grew into a handsome man. Can you imagine his warm greetings from Jesus and the incredible grandeur and magnificence that will be so breathtaking? How at a peace he must be back to Heaven's Home. It is real! Hallelujah and amen and amen!

Dear Sherry, Mike, Tara and your family, and Gabe and his family, and his Monroe family and friends...How blessed we all are to have known Colin whose heart was tender in this sometimes chaotic and confusing world. And as we weep for you and with you, we each cherish certain moments. I loved to look into his beautiful eyes. His eyes were expressive and I can only imagine those beautiful eyes and golden heart radiating God's light. I can imagine him whispering, so this is heaven's home! And in His time, Colin will greet each loved one that n welcomed embrace.
