Joan M. Gawron

JUN 9, 1933 - JAN 13, 2021

Joan M. Gawron, age 87, passed away Wednesday, January 13, 2021 at the Poppen Residence. She was born on June 9, 1933 in Muskegon to Joseph and Eloise (Gosselin) Dault and resided in the Muskegon area all of her life. Early on, Joan worked at Shaw Walker, and then as manager of the rectory at St. Jean Baptiste Catholic Church. She then worked for 18 years at the Muskegon Area Intermediate School District as a mental health aide before retiring. Joan touched so many lives, as a wife, mom, grandma, aunt or friend. She was very active in the Muskegon community and enjoyed walking with her corporate cup group from South Shores, being one of the top volunteers for the USS Silversides Museum and being a resource and supporter of the USS LST Museum, working with the Muskegon County Genealogy Society and the Lakeshore Museum Center, dedicated 30 years to the Goodfellows / Old News Boys, and being the founding member of the Marsh Field Neighborhood Association. Joan also loved attending the Irish and Polish Festivals, and was a proud Union member. A friend of the family said, “We know Joan is giving St. Peter a few lessons on Muskegon’s deep and rich history”. Joan was the ultimate mother of the community, and always had a clear understanding of “who is my neighbor” and “... they are my brother, and my sister, and my mother.” She would often be heard saying, “Until you have the whole meal of life, you can’t have the dessert of eternity!”. There was never a time when there wasn’t a cot for someone to sleep on, or an extra place at the table for someone who needed it, to share that meal and hopefully that dessert. Because of her embrace of all human kind Joan will be cherished for all time as a jewel of jewels by her grandchildren, nieces, nephews, friends and one time strangers. On June 27, 1953 she married Henry J. Gawron and he preceded her in death on March 11, 2004 after 50 years of marriage. SURVIVORS include three children, Steve (Sue Paulson) Gawron, Mary Lousie (Harold) LaBelle and James (Amy) Gawron; 9 grandchildren, Todd Tueling,

Steve, MaryLouise, Jim, and your families:I explained to my kids when they were very young and lost a loved one that we are placed here on earth as a vacation. While on vacation, we always pick up souvenirs. Momma Joan was on the vacation to top all vacations! All you need to do is look at her wonderful family and her large number of friends to see how many "souvenirs" she picked up along her way! I have so many awesome memories of Howden Street and the Gawrons!Rest in God's Eternal Peace, Momma Joan! You are missed by so many!Sandy (Alvesteffer) Neff

I met Joan when I was with the Nim's Neighborhood Association. She was always happy, full of life, and always quick with a history lesson. I looked forward to our annual visits when picking up toys for distribution from the "Old Newsies". Always greeted with a hug and quick catch up on family and neighbors. She will be missed, loved by all who knew her, and remembered for her kindness and love of Muskegon. Rest In Peace Joan.

I was blessed to have known Joan for the last 13 years. We met in St. Mary's Cemetery while doing research and became fast friends. I was drawn to her bubbly personality and her love of life. We shared an interest in genealogy and Muskegon history. She was a wealth of information! I am grateful for the times we spent together each week working on her projects and she had lots of projects!. She would make me smile whenever she talked about her children and grandchildren because she would just glow with love and pride for them. Joan will always be one of the most special people in my life and I will miss her deeply.
