Prayers to the Letherby family. Back when Keith was in High School he dated my sister so I had the opportunity to get to know him pretty well. He respected my sister and our family as well. One memory I have about Keith is that he really loved Milk. He could drink 2-3 glasses of milk at dinner without any trouble at all. Although it has been many years Since I have seen him will never forget Keith. Your family will be in my daily prayers!
