We always cherished every winter when Aunt Max and Uncle Dick stayed by us in their motor home. She would always bring our youngest 3 and our 2 grands that lived next door each a pound bag of M&Ms each time. We all played cards and spoons and just had much fun! We'll always have those great memories. Miss you till we see you in heaven. ❤️

Maxine always came across as tough, but, in reality she was a sweetheart. When I first came over to this area I felt like a stranger. Max made me feel so welcome, as most of the people at the Marina did. I know Smitty has always thought fondly of Max. She couldn't stop talking about her family and mostly her grandchildren. Take comfort in the love she shared with so many. Cling to the many memories you have of her.
