Joni and I have shared the last 50 years together. We met when she began working at Darlene's BeautyShop located on Apple Ave.in Muskegon. A long and beautiful friendship began and lasted until her death. We were making plans for her to visit me and she loved sitting outside on my deck,.She always told me how much she loved the peace and quiet here.

I'm so sorry for the loss of Joan. Joan was a caring, funny, and loving person. Joan would always say remember we are each others back up. So many memories, I just talked to her Saturday. Hugs and prayers to you all.
