Oh no....A complete shock. He was a good friend for years. We kinda drifted apart for a few years...then came back. He used to come out to the wmus studio when i was on the air and just sit and enjoyed the music...Jim Cox

I remember when my U. Carl showed me the computer system in his employment in 1981. I was contemplating going to college for IT and he did the "good uncle" thing. Always caring and a very quiet and a loving uncle. He and Aunt Sue even came to visit me and my family here in Chesapeake, Va years ago. I will always have good things to remember him by and am thankful for that. Peace to you Uncle and may you rest in the arms of Jesus. 💙🙏 love from your niece, Monica Bayne Griffin & Family
