Oh Zachary, you are dearly missed. Thank you for being you. You lit up the room every time you walked in. I wish I could hear your laugh just one last time. I remember meeting you for the first time. You came into my room and watched The Foster's with me and we ate pizza together. I can't wait to raise Josie to always be kind, just like her Uncle Zach. We love you. Until we meet again, my friend. ❤️

Our Zachary ~ You are at peace now and flying with the angels. I only wish you knew how much you were loved in your life and continue to be. You now know, beautiful beautiful boy. You will always hold a special place in my heart. I have peace knowing you are with those who have gone before us who embraced you with much love. Most importantly, embraced in the arms of the God who loved you more than we can even fathom. All My Love, Today, Tomorrow and Always ~ Aunt Melanie
