Jo Wood was the face of Brunswick when I joined in 1983. She was sincerely pleasant to everyone, loving, and full of fun. If you wanted to have sore ribs, you would sit and listen to her talk to people on the phone or in person. Nothing but sweetness. Thank God for giving us Jo Wood.

As an educator, one of our sayings is that a teacher never knows where their influence ends. The same can be said of Jo Wood and her always welcoming friendliness and making everyone feel as if they were in the right place at the right time.

We met Jo in 1986 when first coming to Brunswick to work. No one was a stranger to her for very long! She brought so much joy to everyone she met! Through her we met her lovely family who unselfishly shared her with everyone! This universe has lost a shining star but has gained a heavenly angel. She will be truly missed. Love, Tom and Elaine Phee
