I met Carol with my mother Lois for lunch at Turks in Nunica. We found common interests and that made for good conversations. Carol was a good friend to my Mom and I am grateful for that. Sincere condolences to each of you~Carrie Ruiter

Received my last email from her just a few weeks ago. She never shared her illness and that was so like Carol. I attended high school with her in Whitehall and was part of her wedding to Jerry. I will miss seeing her during our class reunions here in Florida. There's so much more to share but need sometime to just remember Dorrene Moser (Meurer) Sarasota, Fl.

I am so sorry and my prayers are with Carol's family. I am one of many to have had the honor of knowing Carol. Played golf together and met for breakfast when we couldn't play. I was with her when she did a long distance chip in. What fun! I hope I have been a good friend, as she was to me. God be with all of you. Carol's friend, Doris Erhorn

We are so very sorry to hear of the passing of our dear friend Carol. When we lived in La Porte in 1980 Carol and Jerry were wonderfully hospitable, kind and made sure we made the most of our 16 months in the USA. We were so pleased to have them stay several times with us back home in England, and we spent a fabulous day with Carol in Florida several years ago. She was a bright, loving and warm human being who was devoted and immensely proud of her family. She will be very much missed. We are sending all our love and prayers to the family. Alison and Bill Allen xx

Grandma Butzer was an incredibly strong and confident woman who lit up every room she was in. An amazing woman who loved her family and made sure everyone and everything was taken care of. She was always so warm and kind to me and I won't forget her smile and laughter! Love, love, love! -Jer
