Sorry to hear the news about his passing today. I got back in the mail today an order I wanted place for some dvds. I had been buying from Peter for many years. We spoke on the phone once many years ago. He had a great collection of tv shows and had placed a couple of nice orders which seems like a lifetime ago. May he Rest in Peace.

Pete We knew each other for over half a century. We shared many adventures. We saw countless rock concerts! We shared housing three different times. Twisted many joints and enjoyed many sunny days at the big lake. Your gone now and I will enjoy the memories of days gone by.
