We are extended family, and Al and Mary always included us in so many things. We had some great times with them, and always appreciated so much how they cared about us, Mary was so nice to us and definitely was a favorite aunt. We will miss her. Our prayers are with her immediate family, in this time of loss.

I remember going over to my Aunt Mary's house to move some stuff with my Grandpa. This was my first time meeting her and I was nervous because I had no idea who she was. She made me feel welcome and was very grateful that I came to visit. Aunt Mary was a great woman with a huge heart and I will never forget her. I send my thoughts and prayers to her family.
