My sweet grandma, thank you for all the great childhood memories I was lucky to have with you. I remember catching little fish on the lake where you used to live and camp.

Oops. I wasn't finished. I remember doing lots of puzzles with you and decorating the trees for Christmas. You had all of the prettiest or ornaments. You always had the best snacks too. I remember always being so excited to come hang out with you, we had a ton of fun. You taught me how to play that silly computer game where you pop the balloons and we'd take turns playing because we were addicted. You'd take me swimming and I had the most magical time hanging out with you. You really are the best grandma. I love you so much.
