Paul, so sorry to learn of Helen's passing, she was one of a kind! Some of the best times I've had working for Muskegon County is when I was working with Helen. She kept us laughing! Even when I no longer worked with her, we had some good times sharing stories when we would get together with former and current County employees. I hope all is well with you.....Hugs -- Jeanne Reenders (the County Employee that works! LOL)

I am trying to locate your uncle Paul. I own their old house and it's been weighing on my heart to visit them. Upon hearing of Helen's passing I immediately drove to McCauley where I was told he was residing. But when my 5 year old son and I tried to check in at the front we found out he is no longer there. 😞
