I truly thought the world of Honk. He is my Hero. No matter what obstacles was thrown at him, he always prevailed. I always loved listening to the shenanigans him and Bobbie would get into in the younger days. Jessie, my heart breaks for you and your family. He was "One of a Kind".

I used to love to listen to Glenn tell stories of when he was courting Jessie. He had such a great sense of humor! The tales of them double dating with Jack and Sue. He was able to tell it so vividly it was like I was there myself. What a wonderful husband, father and friend. He will be greatly missed by everyone who ever had the pleasure of meeting him.

You were like a second dad to me growing up, I think I spent as many nights with your family as my own in middle and high school. My heart goes out to all of the family. Love to you all!
