I have so many wonderful memories of Judy I can't think of which to share! This woman was always smiling and always made you feel special. She was friends with my parents and our families camped together, hung out at each other's houses and she and Bill helped me at my wedding in 1980! When I think of Judy, I always smile. She will be missed by all who knew and loved her. Blessings to her family - especially Laura my friend! Peace to you! Amy and Kenny Parkinson
