Gregory R. "Greg" Dault

JUN 17, 1953 - JUN 5, 2022

Gregory R. "Greg" Dault, age 68, passed away Sunday, June 5, 2022 at home after courageously battling cancer numerous times. He was born on June 17, 1953 to Robert and Elizabeth "Betty" (Egeler) Dault in East Lansing, MI, before making his way to Muskegon. He attended Muskegon Catholic Central high school and graduated class of 1971. It was that year, he met the love of his life, Candice Bozell and on October 26, 1973 they married in Muskegon, MI. Together they cherished 48 years full of endless love, laughter and adventures. He dedicated many years working at numerous grocery stores in the community. In 2015, he retired from Plumbs where he worked as a manager for both the dairy and frozen food departments. Greg took pride in his career and was well known for his hard work and dedication around the community. When he was not working, he enjoyed being outdoors, whether it was hiking, fishing, or biking. Greg and Candy loved traveling all over in their camper, enjoying a glass of beer by the fire. Not only did he enjoy the outdoors, but he also had a keen eye for sunsets and thought each one was different. He would never pass on an opportunity to see a beautiful sunlit sky or the boats that may accompany it on the water. In his earlier years, he was an avid golfer ready for tee time every Friday night with his buddies. He also had a passion for coaching his children in both baseball and softball. He spent 10+ years on the sidelines improving skills of many either on the mound or sending runner's home. Above all things, he genuinely loved spending time with his family, especially his grandkids. They were his world. Everyone knew that his grandchildren were the most important aspects of his life, and he would always say he would do "anything for his grandkids". Greg will always be remembered for his willingness to debate with just about anyone about anything. His tough exterior balanced with his not-so-secret tenderness will truly be missed by all who knew him. He is survived by his loving wife, Candice Dault; 2 children, Jamie (Lee) Marine and Jeffrey (Laura) Dault; mother, Betty Dault 4

To the Dault, Bozell, and Marine Families: Our hearts are with you! While we didn't personally know Greg, we heard the best stories and knew how cherished and fun your family time was. How lucky those kiddos were to have such an amazing grandpa, time cut too short. Sending all our love during this very difficult time. ~ Chelsea Fosse (& Alex, Quinn, and Mack)

I was so sorry to hear about Greg's death! I went to MCC with his brother Mike, graduating the same year. I was at the Dault house many times in high school. I remember the welcoming attitude of his parents and met all his siblings. I will keep him and your family in my thoughts and prayers. Sincerely, Cindy (Eder) Anderson.

Greg, you were a great brother, even better friend. Loved watching you with children, they were just drawn to you. Loved our camping trips, and all the other events we had together. Our last picture together was my birthday last summer. Thank you for that memory. May you be at peace, once Dad gets done telling you a thing or two. 💜

We will miss you Greg, back in the day our families spent many nights sitting around the campfire at KOA telling stories sharing a cocktail or 2, working together for 18 years, always wanting to chat when we ran into each other at soccer games, life got in the way but we always managed to catch up when we saw each other again. RIP my friend

Dad, We didn't always understand one another. We didn't always say the things we should have been saying to one another. Today I regret that more than I ever thought I would. I always did my best to make you proud as your only Son and our families only namesake. My promise to you is that Jared and I will continue on as proud Dault men as you and Grandpa always did. You didn't ever ask any more of me than I gave you, and I the same of you. Today I am sad that I will have to continue on without you so soon, but I promise you I got this. You rest easy as you have earned. I will continue to work hard for you to watch. I promise to take care of Mom and take care of your grandkids. I know this is all you ever wanted from me in the first place. Love you old man. You finally get to just relax.

There aren't many childhood memories for me where the Dault family wasn't a part of. Greg and Candy were like second parents to me and I have so many amazing memories with them. I am deeply saddened for Candy, Jamie and Jeff and all their families because I know he will be deeply missed. Tears fall as I remember fondly and laugh at loud at all the crazy times we had. All the frozen food, peanut butter french toast, toe nail clipping, hair brushing, jeep riding, fake brick-breaking, video taping and whatever our next adventure was- I will never forget. Love you all! Erin Burkett
