I was June's sister-in-law (Bob's wife) and she is also survived by her niece, Robyn Roossien, of Humble, Texas. We loved you and will miss your beautiful smile, spontaneous laughter, our visits when we were in Michigan, and especially our telephone talks. I know you chose your treatment path but am so glad you can now Rest In Peace and soar with the Angels. June loved to grow flowers that she started in the greenhouse so we thought it very fitting that we donate trees planted in her name (June Bug). We loved and will miss you always, Nancy and Robyn
