Kindness is something our world is desperate for. With growing fears and anxieties, if everyone could just offer a kind word or gesture we can bring our very own piece of good into the world. Nancy brought good into this world! As Christians, God calls us to be the light in the world - to love and be kind to all, even our enemies! Thank you Nancy for being a light, a light for my wife, a light for my daughter and most importantly a light for Christ. We will miss you dearly. Sometimes miracles are just good people with kind hearts.

I was saddened to hear of Nancy's passing! My grandmother was Pauline (Berghuis) Wieber and I'm David VanderWier- Nancy use to play with me as a younger second cousin! It was always fun to see her and sisters at Wolf Lake.
