Dear Marge and family, I will forever remember Bill and the great times we had playing golf together. He always made my summers in Michigan a fun and enjoyable experience. The day he gave up playing golf was a sad day for both of us. The last time we spent together was breakfast at Toast & Jams. We talked so long I thought they would kick us out. "The Bev" was a good friend and a great guy. I will miss him a lot. My prayers are with you. Harry McKinley

Bill was a great friend and will be missed by all who knew him. It was my privilege to work for him and with him at Kaydon for many years. I enjoyed playing golf with him many times and it was always great fun! His sense of humor made just being around him a good time. I will miss him a lot and hope that God will be with his family and friends. Jim Kemp

I knew Bill from golf days at White Lake Golf Club and it was always nice seeing the threesome at the Club. Haven't seen Bill in years and every time I see the photos you have taken from the air of the course Marge, I have thought of you both. My thoughts and prayers are with you and your family at this most difficult time. Mary Ann Bard
