To my Father in Law Carl. You were always there for Pam, Henry Lynn, Dianna myself and your great grandchildren. We had so many good times together whether it was sitting around the table drinking coffee in the morning shooting the breeze. Playing cribbage which you had no equal. Singing songs, having a cold one. Working on cars in your garage. Great Family reunions will go one but not be the same. Our great Duck hunting trips with Mike and Henry. You were a strong, calm, steady influence for me which I will cherish and never forget. Rest easy Carl. You are now Home

It was a special honor to have met Carl and his wife. Being at their home and having the honor of playing music for them both. It was like coming home...I enjoyed talking with him on the phone and making him laugh. He had a kind heart and a great sense of humor. He loved music and enjoyed playing it every chance he got. I was really glad to have played with him this summer in Michigan. Rest in the arms of Christ and embrace being with your wife having know you lived a good life. Well done...
