Looking forward to when we all get together again and go down that Street of Gold and we all high five each other and say..."We made it" We made it into Heaven and we are here with no more pain, no stress, no rent money due, no more car problems. We made it because we put our trust in Jesus and have accepted Gods gift of salvation and we finally have total peace. John 14:1-Bob Hillard..Formerly from Ravenna scheduled to be class of 63..

Grandma Blackmer was always an incredibly kind woman. My life was blessed through the years as I felt she treated me like another grandchild. I will never forget the hours spent around the table at the cabin or her delicious meals ! I feel honored that I was able to know her and am incredibly sorry for your loss.
