to Bobbi's family, I am so sorry for your loss. I can't imagine what this time has been for you. I haven't seen Bobbi since we were kids in youth group at Sullivan Comm. church. She was always funny and sweet and always had a big smile on her face. We spent a lot of Sunday afternoons at each others houses or at Kooi's. She was always a good friend. Too bad we lost touch until face book. It was good to see her again. God bless you all

I, myself had only met her several times but she always seemed so full of life, happy even though things weren't looking good. Always remember the good times that you had together. The Lord will pull you through this. He never gives us more than we can handle.

To ALL of you. I am so sorry for your loss. Bobbie was one of my very good friends and one of my oldest friends. For over 30 years I was blessed to be considered a friend to Bobbie and I can not say how many wild and very crazy things that we have done together both legal and not but she was always there when I needed her and she was there when all 3 of my kids were born. I feel as if I lost more than a friend I lost a sister. Bobbie was there supporting me when I lost both my parents and my sisters, she was always one of the first people there to lend her shoulder for me to cry on. I will miss her so much and I will be here any time any of her kids need me or need anything just like she was for mine. I miss you already BOB! Love you and until we meet again, save room for me up there. Sleep with the angels and you will NEVER be forgot! Love you Shelley, Dan, Amanda, Scott and Nick
