Ike is pleasantly remembered by us here in Australia for his wise cracking jokes and need for hydration. Having spent time in his home whilst on holiday in America, I found Ike made me smile and laugh about almost anything he had to say. Ike's character is an example of life's joys and pleasures and he will always be remembered and valued by us as a wonderful friend of many.

Dear Dolly and Ike's Family, we were very sad to hear the passing of Ike hear in Australia and we also mourn your loss. I have read other guest messages and the common thing about Ike was his likeable personality his quick wit even in the later years and a constant smile. We will cherish the memories of our visit in Jan 2009 and are saddened he will not be around for our next visit. Our thoughts are with you, Mark, Sue, Clay and Mariah.

Dear Dolly, and also my cousins Jim, JoAnn and Terri. Bob and I have you in our thoughts today, and the days to come. Ike was one great fellow, and we loved him dearly. He and Bob had lots of laughs together. and Uncle and I shared many Lieffers family memories..I will miss the twinkle in his eyes and that wicked smile he could give you. Wish he would have played and sang for us one more time in the last few years. I have enjoyed his guitar playing and singing since I was a little girl. Love to you all Bob and Donna Rieckmann
