A long ride seems all tough and rough. But through the sweat came a man of no other. A man who lived a life so full, who had these stories to pass the time. That made the rides seem short and sweet. In our hearts will forever be a memory. With emotions that words cannot express. With tears that show the pain and sorrow. With flashbacks that give a loving sense. With dreams that show the past we miss. In our hearts will forever be Dennis Patterson. Please except our sincere condolences for your loss
