We are sorry for the loss of your wife, mother, grandmother. Aunt Rose was very special for us and we will always remember the special song she sang for us on our wedding day. We have a blanket saved she made for my first daughter when she was born and have used it for all the girls and now the grandchildren. Aunt Rose was very special and always had a wonderful smile for everyone. May God's love heal your grieving. We love you all. Scott & Linda Travis and family.
