May the hope at Isaiah 25:8 bring the Green family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.

Dear Lyle and family, we are so sorry for your loss. Pat's presence in the neighborhood will surely be missed. She was a fun and creative person, and we can only imagine how difficult this must be for all of you. You can be consoled knowing how proud she was of her family, and how much joy you gave her.
