I used to work with Bob, when the shop was called LDP, he loved Dale Earnhardt Sr. I really enjoyed working with him, he was a really nice guy, I gave him a senior high school picture I had of his Dad, who graduated with me... and he really appreciated it ...

I was very sad to read about the passing of your dear loved one. Although this is a very painful time for you and your family, I hope the loving promise found at John 5:28 and 29 bring you a measure of peace and comfort that God does promise a resurrection of those whom we have lost. Continue to hold on tight to those precious memories of your loved one until this wonderful promise is fulfilled.

As If you two care you both make me sick, the two people that made his life a living hell the last 7yrs. wouldn't help him with the kids, making it hard for him to get ahead, made him work twice as hard than he should have, Teri Tibbs you should be ashamed of your self for being a deadbeat mom and still now that he's gone you still don't take care of the kids, you need to step up and be a mother to Bob's kids just like he stepped up and was a great father!!!

So sorry for your loss, Kim & kids, Dede & Kristi. Although we had spent time with Bobby in recent years when he so willingly helped out Dan's folks, the mental picture I carry with me is him in that little white tux when he was our ring bearer, over 30 years ago. What a sweetie! We will miss him! Our love and prayers continue for you all.

May the hope at Isaiah 25:8 bring the Shivilie family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.

I have lot's of memories of Bob as a child, but one stands out especially. The whole family was up north at the cabin and he thought he'd be real funny and put a giant dead wood spider in his grandpa's suitcase. (not funny). Grandpa found it and went crazy with shock first then anger and then adrenalin rush setteled and it blew over. To this day the family still talks about it. It's funny now of course.Memories!The Ron and Sue Kolean family

Bob always said he was the son I never had. He would do anything for me. His love for family and friends could be seen and felt. He made me laugh all the time, oh how i will miss you Bob--

BOB WILL REALLY BE MISSED...HE WAS THE ONLY PERSON I KNOW THAT COULD PUT UP WITH KIM'S MOOD SWINGS. THEY REALLY BALANCED EACH OTHER. WHEN SHE WOULD GET THAT BEE UNDER HER BONNET...BOB WOULD RUN INTERFERENCE ---OR JUST SOMETIMES RUN!!!!...HE MELDED SO WELL WITH OUR FAMILY. HIS SENSE OF HUMOR WAS JUST AS WARPED AS OUR FAMILIES. HE ALSO HAD THE SAME BAD LUCK THAT RUNS IN OUR FAMILY. DO YOU ALL REMEMBER THE TIME THE POLICE PULLED HIM OVER FOR RIDING A BIKE IN THE DARK WITH A RUGRAT BACK PACK BECAUSE HE DIDNT HAVE A LITE ON THE BIKE! HE JUST COULDNT CATCH ANY BREAKS...BUT THE ONE THING I WILL MISS THE MOST IS HIS HUGS...HE HUGGED ME SO TIGHT--EVEN IN THE END--I COULD HARDLY BREATHE. LUV YOU LOTS, BOB....FOREVER GRATEFUL TO HAVE KNOWN YOU....CARMEN
